Dear Cricket Lover

On behalf of the President of RSA IFCR, Gordon Dowsett, we extend a warm welcome to you and your fellow Cricket Lovers to participate in the 6th World Rotary Cricket Festival in Durban South Africa from Sunday 7th March to Saturday 13th March 2010.

Our Festival Committee believes that this will be a Cricket Festival NOT to be missed. We have arranged a programme that will provide enough cricket as well as recreation time to enjoy the many fun activities in and around Durban. Pre and post tours include the majestic Drakensberg mountains and our splendid game parks. The warm Indian Ocean is right on the doorstep of the Blue Waters Hotel. Twelve top class golf courses are within 30km of the hotel. The largest shopping mall in the southern hemisphere is nearby.

Durban is one of the host cities for the Soccer World Cup that takes place in June 2010 so you can be sure that all the tourist facilities will be of a very high standard.

The Draft Programme and the Festival Registration Forms are attached. It will be appreciated if the various deadline dates are adhered to - this will make my life and that of the various committee members so much easier.

The Rotarians of District 9270 are well known for their warm hospitality and they eagerly await your arrival.

Please be sure to look for updates on www.rotarycricket.org [click on the South African Flag]. You will also find a description of the various tours that are available.

Warmest regards

Gerald
