Who Should Join

The New Zealand International Fellowship of Cricket Loving Rotarians invites all who have a love for the game of cricket to join. - Whether as a player, umpire, scorer, team manager, supporter or spectator; and who would like to enjoy the ideals of Rotary through the opportunities offered by IFCR.

The spirit of local and international co-operation and goodwill, and the opportunity to stay with like minded Rotarians in all cricket playing countries and learn about their lives, vocations, and Rotary experiences, both individual and club, exemplifies what IFCR is all about. IFCR can be an enjoyable "sporting holiday." It offers a unique experience of participation on so many levels. It is also about playing the game - often from memory - for those still able to participate.

He became NZIFCR's first Secretary and so the fellowship has grown....and as we as hosting incoming tours we have toured:
